Website Priority Care

$599 / month

4 hours of changes each month. Critical-incident response within 4 business hours, subject to agreed coverage.

Maintenance

I handle agreed maintenance checks, monitoring, a recovery plan, and a short monthly report.

Changes

Text updates, image swaps, and small adjustments to existing pages use the included time. New pages, redesigns, integrations, and larger features receive a separate estimate.

Response and repair

Response targets apply during agreed business hours. Repair timing follows diagnosis. Priority coverage is confirmed before booking.

Unused time and existing sites

Unused change time does not roll over. Care for an existing site starts with a review.

Project budgets

My listed rates are the standard for commercial and brand work. I'm open to discussing reduced rates for independent, micro-budget, or cause-led projects. I may occasionally work pro bono when I have the time and resources. Let's talk about your project and budget before deciding.
