

Event photography

Corporate event coverage 4-hour minimum / \$2,000	\$500 per hour
Corporate event day Up to 8 consecutive hours	\$3,600

Event coverage

Includes one photographer, a standard camera kit, planning call, culling, basic color and exposure adjustments, and a private digital gallery. Additional coverage is \$500 per hour. Concurrent rooms, multiple locations or simultaneous deliverables may require additional photographers.

Event image usage

Includes 12 months of nonexclusive use on the commissioning client's own website, organic social channels and internal communications. Existing posts may remain archived after that term. Paid advertising, sponsor distribution, resale and third-party use require a separate license.

Production and delivery

Assistants, studio or location fees, permits, travel, parking, hair and makeup, advanced retouching and applicable taxes are additional. Event delivery target is 5 to 7 business days; rush delivery requires an agreed fee and schedule. RAW files are not standard deliverables.

Project budgets

My listed rates are the standard for commercial and brand work. I'm open to discussing reduced rates for independent, micro-budget, or cause-led projects. I may occasionally work pro bono when I have the time and resources. Let's talk about your project and budget before deciding.
