## Custom project quote

A project quote based on music duration, instrumentation, recording, usage, and revisions.

### **Spot the picture**

Identify cues, emotional beats, references, and the delivery timeline.

### **Find the language**

Review themes and sketches before developing the agreed cues.

### **Finish and hand over**

Refine to picture and deliver agreed mixes and stems. Usage, musicians, and recording needs are confirmed in the scope.

### **Written estimate**

I confirm the deliverables, schedule, revisions, usage, equipment, and any outside costs with you before work begins.

### **Project budgets**

My listed rates are the standard for commercial and brand work. I'm open to discussing reduced rates for independent, micro-budget, or cause-led projects. I may occasionally work pro bono when I have the time and resources. Let's talk about your project and budget before deciding.
